

Unit Theme and Essential Question

Unit Can-Do Statements

I circled the can-do statements that interest me the most

What interests me about this topic/How I connect with this topic
(how it is relevant to my life)

What I wonder about the target culture related to this topic
(products, practices, perspectives, similarities and differences)

Words and phrases I already know that I can use for this topic

Language (vocabulary, phrases) I think I will need to communicate about this topic

Questions about this topic I'd like to discuss with others

Real world situations in which I can imagine myself using what I learn (in my community, when I travel)

Projects I can create, ways I can take action and use my voice on this topic
